## Principal's Message

May days are here! The warmer weather means that students will be spending more time outdoors. Students will need a water bottle and a hat to protect themselves from the sun. We ask that students dress modestly and wear clothing free from inappropriate language, slogans, or graphics. I would like to remind families of the ASD-W bussing policy which states that students are not able to get bus notes or permission to use a different bus at the end of the day. Each student has a primary route on file, as well as an emergency or alternate route on file. These are the only busses that students can travel on. If you need to change your addresses on file, please call the office at 325-4434.

Any changes to after school pick-up need to be communicated to the office prior to 2 p.m. We are asking that parents dropping off and picking up students take care in our driveway. Please drive slowly and be mindful that there are pedestrians and little ones on the grounds. We ask that you do not drive over our grassy areas or our pedestrian walkways.

Provincial Assessments: Grade 4 to 8 students have already started writing provincial assessments. A good sleep and a hearty breakfast help students do their best work!

Soccer Field Update: Our fields remain in poor condition and ASDW is planning to reseed so we can reestablish a ground cover. Fingers crossed that things go well!

## Home & School Update

Home & School is looking forward to another Family BINGO Night on May 5<sup>th</sup>. Doors will open at 5:30pm. BINGO starts at 6pm. We are thankful to all our families for supporting our ideas and helping us make MCS the best school!

## Student Council

Student Council members have decided to donate to the Debec Animal Shelter in June. In addition to a cash donation, they would like to collect and deliver the following items: kitty litter, cat/dog toys, litter deodorizer, bleach, Pine-Sol, toilet paper, papertowel, disposable gloves, cat/dog treats. If you'd like to make a donation, there will be a box in the front lobby. Thank you for your support.

## Athletics

### Volleyball

MCS volleyball teams recently participated in the 183 team STU Cup Volleyball tournament in Fredericton from April 24-26. Each team played three matches before competing in the tournament playoffs. In league play, teams are completing the regular season games and preparing for the league playoffs.

### Co-Ed Softball

MCS is excited to offer co-ed softball again this year. Tryouts will start soon followed by games and a season ending tournament. Additional information to follow volleyball season.

## Volunteer Update

Sending out a huge thank you to all the wonderful supporters of our breakfast program. Our program would not be possible without the volunteers who commit to being at MCS on a regular basis, as well as the casual and on-call volunteers who step in on short notice to ensure our students are supported. We also truly appreciate all the local businesses, service groups, and individuals who donate to make our program possible. A huge thank you also goes out to our grant funders — Breakfast Clubs of Canada and PC Children's Charity — for their continued support. If you are interested in volunteering in any capacity next school year, 2026-2027, please reach out to Vicki at [vicki.mclean@nbed.nb.ca](mailto:vicki.mclean@nbed.nb.ca)

## Guidance Corner

Hello Lightning families! We are excited to have all our Character Strong Ambassadors up and running. These roles include morning greeters, cafeteria helpers, playground helpers, and our big buddy/little buddy program. We are very proud of the amount of volunteer support we have at our school. Students will continue to work in their homeroom classrooms on Character Strong and social emotional learning. This month we will be focusing on creativity. Just a reminder, if you are requesting service from one of guidance staff members, you can call the guidance office directly at 506-325-4351 (Sarah Atherton) or 506-325-4710 (David Mahar) or you can contact us through email at: [david.mahar@nbed.nb.ca](mailto:david.mahar@nbed.nb.ca) or [sarah.atherton@nbed.nb.ca](mailto:sarah.atherton@nbed.nb.ca).
