HOME AND SCHOOL UPDATE

Home and School is excited to announce our first BINGO of the 2025-2026 school year - Tuesday, October 28th at 6pm. Doors will open at 5:30pm. Make sure to wear your costume. The Christmas Craft Fair is on Saturday, November 15th from 10:00am to 2:00pm. We have lots of amazing vendors and a special guest will be there to get your picture taken with. 😊 We would like to thank all our

families that support these events so we can continue to make MCS the best school!

SCHOOL CASH ONLINE

Parents are encouraged to pay all school-related fees online if possible. It is quick and easy and parents can sign up at the address below. If you need any support, please feel free to contact the office and we'd be happy to offer assistance.

ATHLETICS

Middle school **soccer** has begun with both the boys and girls teams and a coed team competing with local area schools. The school's home games are being played at Townsview and practicing at WHS, as the fields continue to recover from maintenance.

The **Cross Country** running season has begun with MCS runners competing in various district meets. MCS will host the grade 7 final meet on Wednesday, October 15th. The grade 8's will have their final race on Thursday, October 16th at Florenceville, while the grade 6's will travel to Townsview on October 14th.

The MCS grades **3-5 Cross Country** running team has begun to train for their races in Nackawic on October 10th.

GUIDANCE CORNER

Are you a student or have a student that is experiencing a difficult situation? **The Link Program** is there for you and was introduced to middle school during Morning Charge. With the support of a **LINK COMPANION** or of a trusted person, students will have an opportunity to talk about their concerns and, if needed, to access support services in the community using the **HELPING TREE**. By facilitating access to support services, we want to give students the opportunity to solve their issues before they escalate and lead to more serious situations. If you have any questions, please reach out to the Guidance Department or visit www.programmelemaillon.com

LETTER FROM THE PRINCIPAL

Welcome to October! I think that MCS has settled into a bit of a routine, and we are looking forward to a productive Fall. The temperatures are getting cooler, and students will need to wear jackets, mittens, hats, and outside shoes and be prepared for sustained outside play. October is School Safety Month. We will be practicing several drills throughout the month, and we will also be doing a practice evacuation to our alternative site. School safety includes physical, emotional, and psychological safety. It is important that students and staff can come to school and be safe from physical aggression, as well as verbal aggression from other students. Students who struggle to be peaceful at school may be excluded from the regular school environment according to EECD Policy 703. Families are reminded to register for School Cash Online so that payments for student fees, field trips, etc. can be paid on-line. Also, please register for Safe Arrival, which enables parents to manage student attendance. If you would like more information on how to do this, please call our school office at 325-4434. Families who have children involved in extra-curricular clubs and sports need to ensure that coaches and club leaders have their contact information because the school office does not coordinate communication regarding after school activities. Also, a reminder to families that it is important that all end-of-day arrangements are made before 2 p.m. so the office staff can respond to and relay this important information as needed. I also encourage families to check out our MCS Parent/Student Handbook on our website. This contains all sorts of important information about MCS! Check it out and have a great October everyone!
