There will be a special guest appearance from Santa and a chance to get your picture taken with him between 11-1pm. Bring the family and get some homemade Christmas presents all while supporting your MCS Home and School. Entry is by donation.

We also have another BINGO Night coming up on December 3rd at 6pm. All proceeds from these events always go directly back to the school and the students.

GUIDANCE CORNER

As we head into November and gradually approach the holiday season, students will focus on gratitude for this month's Character Strong trait. Taking time to think about the positives in our lives is a great way to re-focus and take our mind off any stress we may be dealing with, even it is only for a brief moment. For more information on upcoming guidance events, ideas for parent resources, and/or reminders of how students and parents can access guidance support, please call the guidance office directly at 506-325-4351 (Sarah Atherton) or 506-325-4710 (David Mahar). You can also email us at sarah.atherton@nbed.nb.ca or david.mahar@nbed.nb.ca.

MESSAGE FROM ADMINSTRATION

Welcome to November, Lightning Families! November means winter weather and it is important that students come geared up for extended outside play with coats, ski pants, boots, hats, and mittens. If your child needs winter jackets and ski pants, please let the school know, as we have lots here which can be sent home. We continue to see parent vehicles in the bus lane during the school day. Please use the entrance off Bull Road when coming to drop off or visit. A reminder that our doors open at 7:45 a.m. and that all afterschool arrangements need to be communicated to the office by 2 p.m. The safety of our students is our top priority so we ask that our lobby area is free from 2:30- 3:00 p.m. so students can move through the halls to get ready for dismissal. Thank you for your support and we wish you a happy November.
