

meet the TEACHER

Mrs. Marlee Ralston

Hello!

I'm so excited to be your child's teacher this year! There is nothing that I love more than getting to know students and watching them progress in their learning all year. Each "aha" moment that they have, fills my teacher heart with so much joy!

This is my 10th year teaching. Teaching is my passion and something that I've known I would do since the 5th grade.

I can't wait to see what the rest of this school year brings!

About Me

I was born and raised in the Woodstock area. When I'm not teaching, you'll find me spending time with my family, walking my dog, Molly, or relaxing with a book!

I earned my Bachelor of Education from the University of New Brunswick in 2014. Prior to that, I earned my Bachelor of Arts from St. Thomas University in 2013.

Contact Me

I value and welcome parent communication. Feel free to contact me with any questions, comments, or concerns you may have. I look forward to speaking with you!
