Meet the TEACHER

about me

My name is Joanne, and I am very excited to be your child's teacher this year!

This summer I have enjoyed spending lots of time with my husband, Wayne and my two children, Evan and Leah. They are my world! ❤️ I am looking forward to meeting all of you and I know our year will be full of fun new adventures and experiences!!!

experience

This will be my 27th year in the education system. I have taught in Ontario and NB. Currently I teach grade 4 French Immersion, but I have also taught grades 1 & 3. I enjoyed the role of literacy lead for a few years as well, but my heart is truly in the classroom!

things i love
