About Me

I am so excited to be teaching middle school and elementary music this year at MCS. Performing and teaching music have always been a passion of mine and I direct the music for the Middle School Drama program. I enjoy playing the piano, making crafts and spending time with my family.

Experience:

I teach piano lessons, accompany and direct musical groups, and studied music at Mt. Allison University. I have taught music at every level and love seeing students discover a love of music and performance.

Things I love:

Reading to my 3 Kids
Chocolate
Crafting
Baking
Playing Board Games
Travelling
Piano
